

More sizes, more adjustability, more colors!

A17 economy area lights are now so much MORE.

Available from 50W through 480W models, and with four IES distributions and numerous control options, the A17 gives you the right light for the right application, all without breaking the budget.

7 Lumen Packages

The A17 is available in everything from 7,000 lumens to up to 76,300 lumens, while leading competitors only offer up to 5 lumen packages.

Consistently High Efficacy

Not only does the A17 offer an ultra-high efficacy of up to 175 lm/W, but it delivers high efficacy throughout its entire portfolio.

Mounting Flexibility

With several mounting options available, the A17 can be used throughout various areas for one unified look: parking lots, building façades, adjacent walkways, etc.
