Low-cost high bays with field adjustability.
AEROBAY—Economical, versatile, and built tough.

Maximized versatility.

With 4 available sizes, the reimagined, economy AEROBAY now boasts field-adjustable power and CCT. Designed to replace up to 750W MH and be mounted as high as 50 feet, they are ideal for use in warehouses and industrial applications.

100,000-HOUR LED LIFESPAN

5-YEAR, NO-COMPROMISE WARRANTY

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

Networked control.

AEROBAYs are available with a factory-installed, Lightcloud Blue-enabled PIR and MVS motion sensors, which can be configured to adjust brightness and hold time, saving additional energy costs.

Meet the new guard.

The AEROBAY is designed with an impact-resistant lens that eliminates the need for protective wire guard accessories.

Accessories.

The AEROBAY comes standard with V-hooks for chain mounting but pendant mount kits are available for all models (pendant by others). Please select carefully when ordering to ensure compatibility.
