BOA RING

Lighting that shapes your space.
The field-adjustable BOA Ring pendant.

Put a ring on it.

The BOA Ring gives you the freedom to design with light in three dimensions. Each ring is suspended by three individually adjustable tethers, so you can tilt and angle each circle separately to create a look that's uniquely yours.

One fixture, endless configurations.

Start with a single ring and build up — BOA Ring systems can be combined into double or triple-ring arrangements to scale beautifully with any space. With 2, 3, and 4 ft diameter options, you have the flexibility to make a subtle statement or a stunning one.

Finish it your way.

Available in white, silver, and black, the BOA Ring fits seamlessly with any interior aesthetic. All configurations ship with a frosted lens for smooth, glare-free illumination.

Dial in the perfect light.

Field-adjustable wattage and CCT let you fine-tune the ambiance right on site. Single-ring models also offer the control of selecting downlight or up/downlight distribution.
