BULK PACKS

Packaged with the contractor in mind.
Lighting that keeps projects on schedule and on budget.

The series built for contractors.

Too often, contractors are forced to choose between rock-bottom pricing and reliable performance. Our bulk downlight series are designed specifically for contractors who need efficient, cost-effective lighting solutions that don't compromise quality.

Bulk Packaging

Fewer boxes to manage on-site

Ships Quickly

Deep inventory keeps you on schedule

Economical & Sustainable

Reduces costs and installation time

CCT-Selectable Lighting

Reduces stocking SKUs
