BULKHEAD

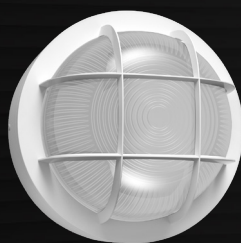

A new shape joins the nautical crew.
The Bulkhead family, now with more designs.

Innovation at the helm.

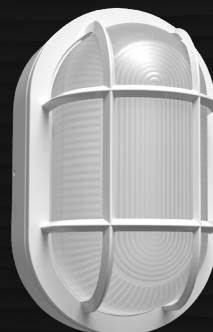

It's got that classic look, but the Bulkhead charts new waters with three field-adjustable CCTs and wattages so you can adjust your lighting to match your needs. It's suitable for indoor or outdoor use and is ideal for adding a distinctive nautical touch to your space...but with a modern twist.

Bronze

White

Just another pretty face.

The 40W model is available with a clean round profile that you can order bare or with any of three face guards. If you change your mind, accessories are available for an easy swap!

Versatile application.

Designed for 120-277V use and available in two unique shapes and finishes, the Bulkhead adapts seamlessly to diverse architectural styles.
