GLOW

From backyards to bustling boulevards.

GLOW string lights create the perfect scene.

The glow your space deserves.

Create the perfect atmosphere with 24 glass, S14-style bulbs on a 50-foot string that are designed for patios, cafés, and outdoor entertaining with soothing, low-glare light. Standard models connect up to 900 ft, while Lightcloud Blue tunable white and RGBW versions extend up to 150 ft.

WARM WHITE TUNABLE WHITE RGBW

Simple warmth to dynamic color.

Available in fixed 2200K warm white, tunable white from 1800–5000K, or RGBW with customizable colors and animated light effects.

Preset Segment color control.

Create custom Preset Segments in the Lightcloud Blue app to assign unique colors to each bulb across the string.

Put on a light show.

When RGBW models are paired with the app, you can set up custom light shows using animations like Breathe, Color Cycle, Marquee, and more. Choose your colors, set your speed, and let GLOW do the rest.
