SLIM15

15

Now DLC LUNA listed!

SLIM15 now available in 3000K.

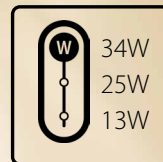

SLIM aesthetic for slim budgets.

The same sleek wall pack that you've come to know and love is now available in the new, economy SLIM15 line—the first in our budget-friendly "15" family.

We've got the basics covered.

Designed for 120V use, the SLIM15 includes three selectable wattages. Models are available in three CCTs, in both white and bronze.

The ultimate in friendly lighting.

The SLIM15 is a full cutoff, fully shielded wall pack that delivers environment-friendly lighting which minimizes glare, reduces light trespass, and doesn't pollute the night sky.

The 3000K model is DLC LUNA listed.

Sustainable design.

The SLIM15 is yet another in RAB's ever-growing portfolio of eco-friendly products, with a housing made from Post Consumer Resin (PCR) and a raw aluminum back that foregoes any anodization or chemical coatings.
