Sleek design meets unbeatable value.
Introducing SLIM15.

SLIM aesthetic for slim budgets.

The same sleek wall pack that you've come to know and love is now available in the new, economy SLIM15 line—the first in our budget-friendly "15" family.

We've got the basics covered.

Designed for 120V use, the SLIM15 includes three selectable wattages and is available in 5000K or 4000K, in both white and bronze.

Friendly lighting.

The full cutoff, fully shielded design minimizes glare and reduces light trespass.
The polycarbonate lens diffuses light for soft, even distribution.

Sustainable design.

The SLIM15 is yet another in RAB's ever-growing portfolio of eco-friendly products, with a housing made from Post Consumer Resin (PCR) and a raw aluminum back that foregoes any anodization or chemical coatings.
