

# More options = more applications.

## SR Field-adjustable strip lights.

### Variety and versatility.

The SR strip light is designed with five field-adjustable wattages and CCTs (3500/4000/5000/5700/6000K) and is available in various 2, 3, 4, and 8ft models, making it extremely versatile for use in general purpose and low-bay applications.

## Location, location, location.

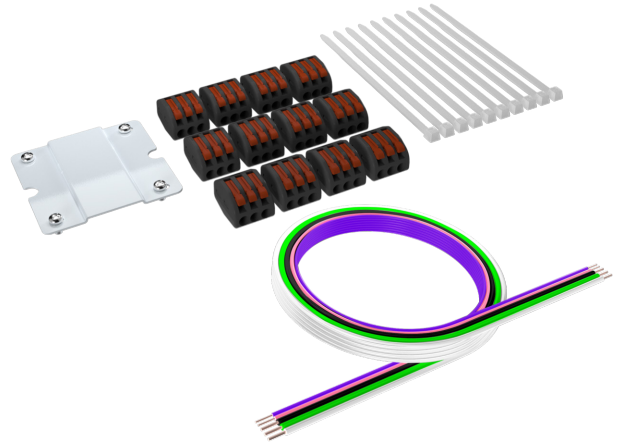

The SR is designed for surface mounting but accessories are available for suspended mounting (V-hooks + 40" chains).

Suspended Mount Kit: [SR VHOOK KIT](#)

## We've got connections.

Continuous-run mounting is a breeze with the joiner bracket accessory.

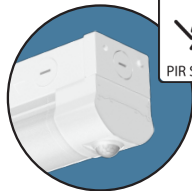

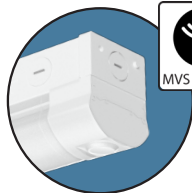

Daisy Chain Mount Kit: [SR JOIN KIT-G2](#)

## Available with smart controls.

The SR is available with various factory-installed sensors including Lightcloud Blue-enabled PIR and microwave sensors, which can be configured to adjust brightness and hold time, saving additional energy and costs.

Lightcloud®

## Battery backup option.

All models of the SR strip are available with a battery backup that can provide 90 minutes of emergency lighting.
