Anywhere you want it.

All models are suitable for use in dry, damp, and wet locations, making it a cinch to add lighting to kitchens, hallways, stairways, bathrooms, porches, closets*... you name it!

**Compliant with NEC Sec. 410.16 (A)(1) and 410.16 (C)(1).*

Make it smart.

The Lightcloud Blue XDIM family of dimmers makes it easy to install with any TRIAC/ELV or 0-10V dimmable fixture. Quickly pair to your phone to enjoy wireless control — no hub required. Add the Nano to use voice commands and control your lights from anywhere.

For life's emergencies.

Emergency lighting is critical for offices, schools, and other applications that need safety measures in place to meet code requirements. Battery backups are available in three sizes for use with our round SUMO models. Simply mount to the ceiling, wire your SUMO, and twist-lock it into place. Empty "dummy" cases are also available for uniform aesthetics.
