Built to last.

TEMPLIN's design is meant to stand up to demanding environments with a durable polycarbonate housing and lens, and a weatherproof plug receptacle. TEMPLIN's IP65 rating makes it dust tight and provides protection against water jets.

Wall-to-wall coverage.

Offered with bright 5000K light, TEMPLIN delivers 10,800 lumens with a 180° distribution, and its daisy chaining capacity allows for 6 pieces @ 120V and 14 pieces @ 277V. Its frosted polycarbonate lens minimizes glare to ensure safe work areas.
