RAB

X15

X15 is built to win the bid.

Field-adjustable output at our lowest price yet.

Our lowest-cost floodlight to date.

Built for the jobs where price decides the order, the X15 comes in below every other floodlight we currently offer and it can cover everything from building façades and signage, to larger lots and open areas.

100,000-HOUR LED LIFESPAN

66 IP RATING

120-277; 480V

DLC LISTED PREMIUM

5 YEAR LIMITED WARRANTY

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

CCT 3000K 4000K 5000K

Built to adapt to any job.

Field adjustability is built into every X15, so a short list of stocked items covers a long list of applications. Match the soft, warm tone of a storefront or the stronger, cool light a security camera prefers without ordering a different fixture.

X15-30	X15-60	X15-80	X15-100	X15-150
30W	60W	80W	100W	150W
25W	50W	70W	90W	130W
20W	40W	60W	80W	110W

60W comes with knuckle or trunnion

80W, 100W, and 150W come with trunnion or slipfitter

Payback in a blink.

The X15 is DLC Premium listed, which is the tier most utility programs reserve their largest incentives for. On a retrofit, that rebate is often what closes the gap between a quote and a signed order. And an integrated photocell with an on/off switch puts dusk-to-dawn power in their hands and energy savings in their pocket.

Ordering Matrix

Product Family	Wattage	Mounting	Color Temp	Finish	Driver	Controls
X15						
	30 30/25/20W	**Blank** Knuckle Mount**	**Blank** CCT Adjustable	**Blank** Bronze	**Blank** 120-277V, 0-10V Dimming	**Blank** On/Off Photocell
	60 60/50/40W	**T** Trunnion Mount**		**W** White	**/480** 480V, 0-10V Dimming*	
	80 80/70/60W	**SF** Slipfitter Mount**				
	100 100/90/80W					
	150 150/130/110W					

**480V input available for 150W only*

***Knuckle mount available for 30W and 60W. Trunnion mount available for 60, 80, 100, and 150W. Slipfitter mount available for 80, 100, and 150W.*
