

RAB®

COLUMN

One fixture. Endless possibilities.
COLUMN—The adaptable decorative light.

A clean fit for
residential spaces.

Designed for 120V residential use with TRIAC dimming, COLUMN gives you three selectable CCTs so you can dial in the right ambiance without swapping fixtures.

We put our heads together.

COLUMN comes in single, double, and triple-head configurations to scale with the space. The single-head model is the most versatile, fitting track, surface, or semi-recessed installations, while the two- and three-head versions are designed strictly for surface mount.

SINGLE-HEAD CONFIGURATIONS

DOUBLE-HEAD CONFIGURATIONS

TRIPLE-HEAD CONFIGURATIONS

350°

70°

Point it where you need it.

Each head tilts up to 70° and rotates 350°, so getting the light exactly where you want it is effortless. Whether you're washing a wall, accenting artwork, or lighting a workspace, COLUMN has you covered.

BRONZE

SILVER

BLACK

WHITE

That golden glow.

All COLUMN models include a warm gold reflector, regardless of whether you choose a white or black exterior. It's a refined detail that adds a premium, decorative touch—and it's standard, not an upgrade. Bronze, silver, black, and white reflector accessories are available (*sold separately*).

Complete design solutions.

Column is fully compatible with our track system components, which include 3 track lengths in both colors, various joiner configurations, power feeds, and current limiters.
