

## The easiest-to-install LED downlight you can buy!

Meet the daisy-chained, canless, field-adjustable wafer.

Reduce installation costs by up to 50%!

With 6 canless, quick-connect DAISY wafers controlled by only one driver, you'll save on things like housings, wire, clamps, wire nuts, and most importantly, installation time.

Add more  
DAISY wafers easily...

50,000 HOUR LED LIFESPAN

JA8 COMPLIANT (ONLY DAISYKIT MODELS ARE COMPLIANT.)

5-YEAR, NO-COMPROMISE WARRANTY

RAB's warranty is subject to all terms and conditions found at [rablighting.com/warranty](http://rablighting.com/warranty)

## Another link in the chain.

Additional wafers can be purchased separately, allowing you to run up to ten 4" or eight 6" wafers on one driver's load. Kits and additional wafers are available with either smooth or baffle trims.

## Maximized versatility.

With five field-selectable color temperatures, these wafers help maximize installation flexibility in both residential and commercial applications. They're also wet rated, making them ideal for indoor and outdoor use.

## High performing.

All models are dimmable to 5% (0-10V) and deliver 90 CRI for accurate color rendering.

90 CRI

Dimmable  
0-10V, down to 5%
