rablighting.com/warranty

High bay lighting built tough.

- Certified for:
 - Class I Division 2 (*Groups A, B, C, D*)
 - Class II Division 1 (*Groups E, F, G*)
 - Class II Division 2 (*Groups F, G*)
 - Class III
 - Temperature rating of T4A to T6*
 - Resistant to shock and vibrations (*1.5G*)
 - Precision die-cast aluminum housing
 - "Hands free" tether for safe, easy wiring
- *Temperature classification varies depending on the SKU*

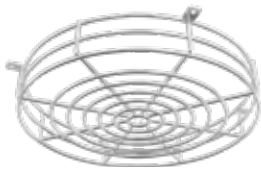

Mounting versatility

All HAZBAYLED models come standard with two mounting options: use the yoke for surface mounts or remove it for pendant mounts (pendant by others). An adapter is also available for retrofitting existing products.*

**HAZ-ADP is only compatible with standard 100W, 150W, and 200W models. (Not with /E or 300W SKUs).*
