

RAB®

LPACK

Smaller, slimmer, and selectable.
Meet the next-generation LPACK.

Bigger isn't always better.

The reimagined LPACK is a fraction of the size of its predecessor. The more sustainable design weighs 40% less, has a significantly lower profile, and is over 3" narrower for a sleeker aesthetic that delivers even more light output!

100,000-HOUR
LED LIFESPAN

5-YEAR
NO COMPROMISE
WARRANTY

RAB's warranty is

and conditions found at
rablighting.com/warranty

Field adjustability reduces SKUs.

We've also added selectable wattage and color temperature to the LPACK, eliminating the need to choose between various, static-wattage models. One SKU does it all! An on/off photocell is also included for additional flexibility.

113W
85W
58W

3000K
4000K
5000K

The ultimate in friendly lighting.

The LPACK is a full cutoff, fully shielded wall pack that delivers environment-friendly lighting which minimizes glare, reduces light trespass, and doesn't pollute the night sky.

Lightcloud®

Available with smart controls.

The LPACK is offered with a factory-installed microwave motion sensor that is compatible with our wireless Lightcloud Blue control system.

Ordering Matrix

Product Family	Size/Wattage	Mounting	Color Temp	Finish	Voltage/Driver	Options
