5-YEAR LIMITED WARRANTY

RAB's warranty is subject to all terms and conditions found at [rablighting.com/warranty](http://rablighting.com/warranty)

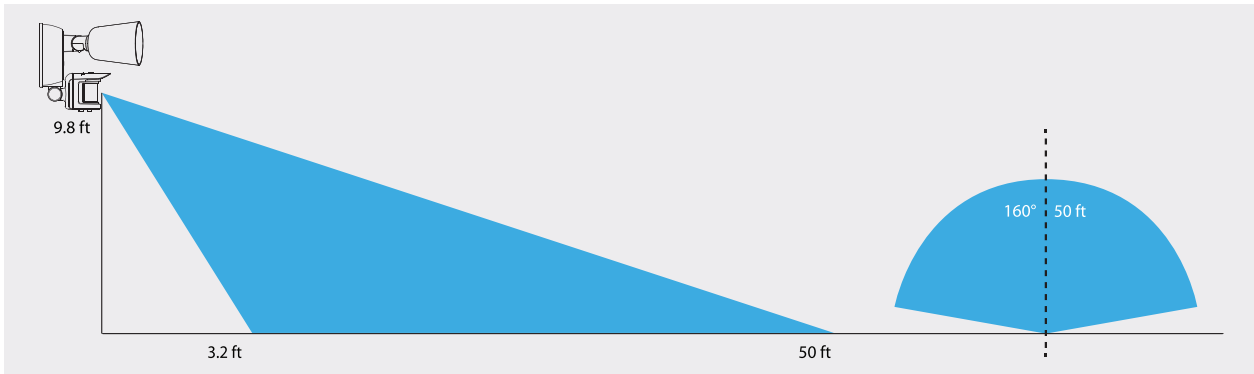

## Powerful security lighting.

The LU160 includes 2 completely adjustable LED floodlights with a frosted, polycarbonate lens, that can kick out over 2000 lumens.

## Motion detection from the best.

The LUMINATOR is equipped with a passive infrared (PIR) motion sensor that's capable of up to 160° and 50 ft. detection, depending on your mounting height.

## Daylight sensing.

An integrated dawn/dusk photocell can automatically deactivate lights during the day and turn them on when needed for additional energy savings.

## Color options.

The LUMINATOR is IP65 rated and available in bronze, white and black finishes to complement a variety of exterior applications.
