MIRA

Lighting that reflects your style.
The field-adjustable MIRA lighted mirror collection.

Double the light,
double the impact.

Every MIRA mirror features hidden LEDs with light diffusers that ensure even distribution and eliminate dark corners. The collection features both front and backlighting, creating an ambient glow that adds sophistication while also delivering functional illumination.

Adaptable ambiance.

Field-adjustable color temperature lets you switch between warm 2700K, neutral 4000K, and bright 6500K right from the touch controls. Dimmable functionality and memory settings ensure your preferred lighting is always just a touch away.

Clear vision, every time.

The integrated anti-fog feature keeps your mirror crystal clear even in the steamiest conditions. No more wiping down or waiting—just instant clarity when you need it most.

A style for every space.

Choose from three distinct families and various sizes to match your vision:

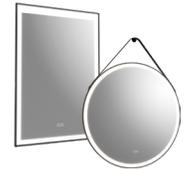

MIRA Edge

Sleek, frameless design in 2 shapes and 5 sizes

MIRA Frame

Design includes a sophisticated border in 2 shapes (round includes decorative hanging strap)

MIRA Cabinet

Single or double mirrored doors with interior mirrors
