Revolutionary adjustability.

The SLIM22 sets a new standard in wall pack design. Unlike competitive products, the SLIM22's forward throw is adjusted with a pivoting lens, giving you completely tool-free light control.

Adaptability at your fingertips.

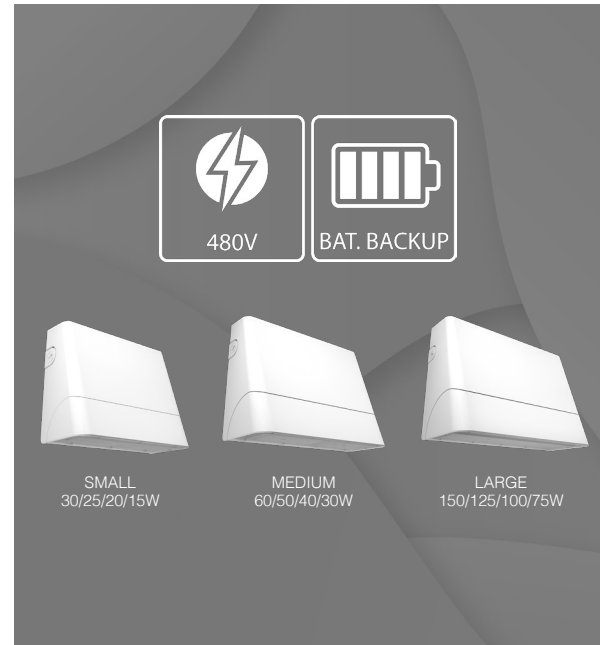

More than just a wall pack, the SLIM22 is a lighting solution that adapts to your application's needs:

- Selectable forward throw
- Selectable CCT
- Selectable wattage
- Integrated on/off photocell

Size matters.

Options matter more.

Offered in three sizes, the SLIM22 caters to a wide range of applications. All models are available with optional 480V or battery backup.

Ordering Matrix

Product	Housing Size	Wattage	Color Temp	Finish	Forward Throw	Driver	Options
SLIM22	-	-	-	-	-	-	-
	S M L	Small* 30 Medium* 60 Large* 100 150	30/25/20/15W 60/50/40/30W 100/85/70/50W 150/125/100/75W	Blank	3000/4000/5000K CCT Adjustable	Blank W	Bronze White
				Blank	Adjustable Throw 0/15/30/45*	Blank /480	120-277V 480V
						Blank /E	Selectable Photocell Selectable Photocell w/Battery Backup**
