

RAB®

More options = more applications.

SR Field-adjustable strip lights.

Variety and versatility.

The SR strip light is designed with three field-adjustable wattages and CCTs (3500/4000/5000K) and is available in various 2ft, 4ft, and 8ft models, making it extremely versatile for use in general purpose and low-bay applications.

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

Location, location, location.

The SR is designed for surface mounting but accessories are available for suspended mounting (V-hooks + 40" chains).

Suspended Mount Kit: [SR VHOOK KIT](#)

We've got connections.

Continuous-run mounting is a breeze with the joiner bracket accessory.

Daisy Chain Mount Kit: [SR JOIN KIT](#)

Available with smart controls.

The SR is available with various factory-installed sensors including Lightcloud Blue-enabled PIR and microwave sensors, which can be configured to adjust brightness and hold time, saving additional energy and costs.

Lightcloud®

Battery backup option.

All models of the SR strip are available with a battery backup that can provide 90 minutes of emergency lighting.
