

Affordable, contemporary lighting.
Perfect for residential or commercial applications.

Matte white, fade-resistant, powder-coated trim

Edge-lit technology creates uniform distribution

Low-glare optics provide smooth, diffused light

Steel heatsink for optimal thermal performance

Available in square and rectangular configurations

Compatible with 3" and 4" j-boxes

Economy that performs.

The surface mount's edge-lit technology uses a reflective panel that disperses light through a diffused lens, which creates smooth, uniform distribution and reduces glare. All models are compatible with TRIAC dimming systems and 90CRI for accurate color rendering.

90 CRI
available

Dimmable
Dims down to 10%

Versatility is key.

At just under 1" high, this new surface mount family has a contemporary, ultra-low-profile aesthetic that add a modern, unobtrusive look to any space. Available in square and rectangular shapes and in five sizes, they're versatile enough for both commercial and residential applications that require simple, affordable LED lighting.

JAB compliant.

Available in Energy Star models.

UL CERTIFIED

5-YEAR,
NO-COMPROMISE
WARRANTY

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

Anywhere you want it.

All models are suitable for use in dry and damp locations, making it a cinch to add lighting to kitchens, hallways, stairways, bathrooms, utility rooms... you name it!
