T17FA

contractorplus

FIELD ADJ.

Just the basics...just right—T17.
Performance where it counts. Savings where it matters.

FEATURE PAGE

100,000-HOUR LED LIFESPAN

Low cost without sacrifice.

Meet the panel light built for budget-conscious projects that refuse to compromise on performance. With field-adjustable wattage and CCT, high efficacy, three size options, and optional battery backup, it delivers the flexibility professionals need at a price that works for any budget.

High-efficacy performance for additional energy savings

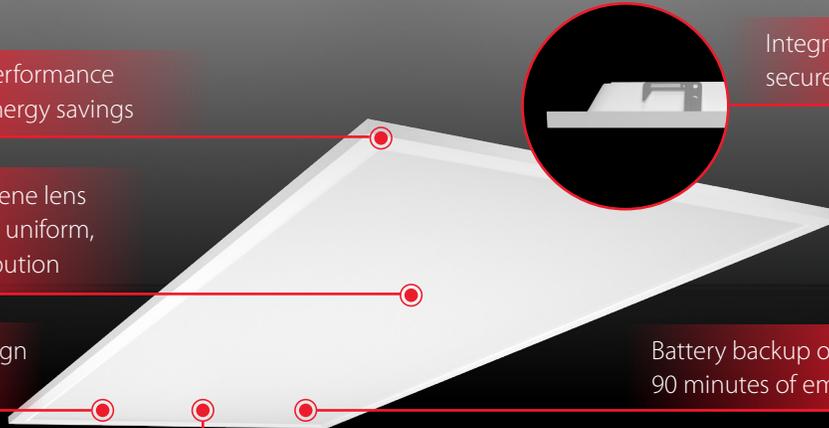

Frosted polystyrene lens diffuses light for uniform, glare-free distribution

Low-profile design is IC rated

Field-adjustable wattage and CCT helps customize light on-site

Integral clips secure T17 to T-bars

Battery backup option for 90 minutes of emergency use

5-YEAR LIMITED WARRANTY

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

Versatile mounting.

The T17 family is designed for use in T-grid suspended ceilings but can also be mounted directly to drywall or recessed into ceilings with these accessories.
