Built to last.

TEMPBAY's design is meant to stand up to demanding environments. The lamp, guard, and hanging hook are all integrated, and the plug receptacle comes with a weatherproof cover. TEMPBAY's IP65 rating makes it dust tight and provides protection against water jets.

Wall-to-wall coverage.

Offered with bright 5000K light, TEMPBAY delivers 15,000 lumens with a 180° distribution, and its daisy chaining capacity allows for 5 pieces @ 120V and 10 pieces @ 277V. Its clear polycarbonate lens maximizes light output to ensure a well-lit work area.
