

# RAB®

## TRACK PENDANT

# The ultra-slim Track Pendant.

A contemporary lighting solution for all your spaces.

## Flexibility in a sleek package.

Designed for 120V use, the small Track Pendant delivers focused, single-CCT performance while the medium model boasts three field-adjustable color temperatures, so you can fine-tune your lighting on-site without managing multiple SKUs.

## Versatile, superior-quality output.

The 36° beam angle is ideal for adding ambience to homes or providing balanced illumination in stores and hospitality. With 90+ color rendering, the Track Pendant ensures that your colors appear vibrant and true to life in any application.

## Effortless installation and versatility.

Simple track mounting makes positioning and repositioning a breeze, perfect for retail, hospitality, or residential applications. Available in both black and white finishes to complement any design aesthetic.

## Complete design solutions.

Track Pendant is fully compatible with our H-type, single circuit track system components, which include 3 track lengths in both colors, various joiner configurations, and power feeds.
