## VANITY

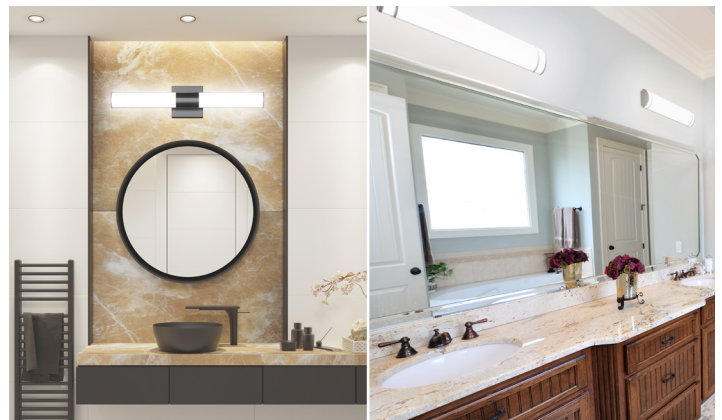

Modern elegance and timeless style  
for any bathroom.

Introducing ALLURE and ENCHANT vanity lighting.

Classic or contemporary—  
you choose.

Blending clean lines and a sleek design, the ALLURE vanity collection brings a sense of contemporary sophistication to any bathroom. If you prefer a more timeless approach to vanity lighting, the ENCHANT collection evokes the refined aesthetics of vintage design.

Maximized functionality.

Both vanity families feature a shatter-resistant lens and five field-adjustable color temperatures, allowing you to select the perfect tone from 2700K to 5000K. Integrated dimming capabilities let you fine-tune the ambiance, whether you need bright task lighting or a soft, relaxing glow.

## Make it smart.

The ALLURE and ENCHANT families are compatible with our Lightcloud Blue-enabled XDIM dimmers, for use with our wireless control system.

## Modern elegance.

Available in round and square profiles and in black and brushed nickel finishes, ALLURE vanities offer a minimalist aesthetic that complements both traditional and modern decors. From compact 14" sconces to expansive 48" vanity bars, their versatility lets you seamlessly integrate your lighting with existing fixtures and hardware.
