

RAB®

WPX

Quality comes first with the WPX.

WPX premium wall packs.

Premium performance with field adjustability.

Our new WPX family offers the perfect solution for upgrading outdated outdoor lighting. With the flexibility of field-adjustable wattage and CCT, the WPX can be easily adjusted to suit your application's needs.

10-YEAR,
NO-COMPROMISE
WARRANTY

RAB's warranty is
subject to all terms
and conditions found at
rablighting.com/warranty

An industry-leading warranty.

With WPX's incredible 10-year, no-compromise warranty, you can have the peace of mind of knowing that your investment is protected for years to come.

More control options than ever.

While every WPX comes standard with an integrated on/off photocell, we also offer various options for additional levels of control including a microwave motion sensor, a Lightcloud Controller, and a Lightcloud Blue Controller for use with both systems.

Upgrade with confidence.

With 3 available sizes, the WPX series was designed to replace many of the old HID and fluorescent wall packs...right down to having the same footprint, which allows for a quick, simple, seamless upgrade—no paint touch-ups needed!
