

Ultra-economy area lighting.

The options you want at the price you need.

Available from 70W through 375W models, and with four IES distributions and numerous control options, the A17 gives you the right light for the right application, all without breaking the budget.

7 Lumen Packages

The A17 is available in everything from 10,000 lumens to up to 53,700 lumens, while leading competitors only offer up to 5 lumen packages.

Consistently High Efficacy

Not only does the A17 offer an ultra-high efficacy of up to 153 lm/W, but it delivers high efficacy throughout its entire portfolio.

Mounting Flexibility

With several mounting options available, the A17 can be used throughout various areas for one unified look: parking lots, building façades, adjacent walkways, etc.
