

## 3 mounting options in 1. Versatile, field-adjustable downlights.

- 5 Selectable color temperatures that maximize versatility with the flick of a switch
- Sheet metal steel housing with durable plastic trim
- Available in edge-lit and back-lit versions
- Gasket added to meet air-tight requirement
- 3-in-1 installation options to choose from:
  1. Surface mount
  2. Ceiling
  3. Recessed housing

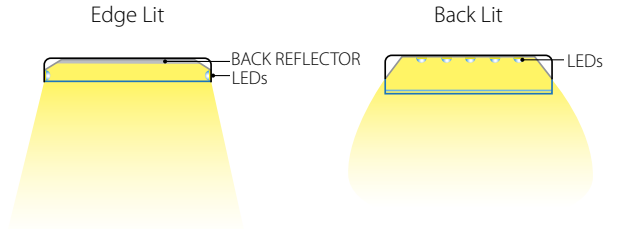

## Multiple Mounting Options.

The SM3N1 offers three mounting options in one compact fixture. Easily mounts to junction boxes, into ceilings, or in recessed housings.

## Two types of output.

This surface mount is available with two types of distribution. Back-lit models deliver light in a vertical pattern, putting more light directly on the work surface, while edge-lit models disperse a wider pattern that reduces glare.

## Anywhere you want it.

All models are suitable for use in dry, damp, and wet locations, making it a cinch to add lighting to kitchens, hallways, stairways, bathrooms, porches, closets\*... you name it!

*\*Compliant with NEC Sec. 410.16 (A)(1) and 410.16 (C)(1).*
