FIELD ADJUSTABLE

DLC PREMIUM LISTED**

100K HOURS

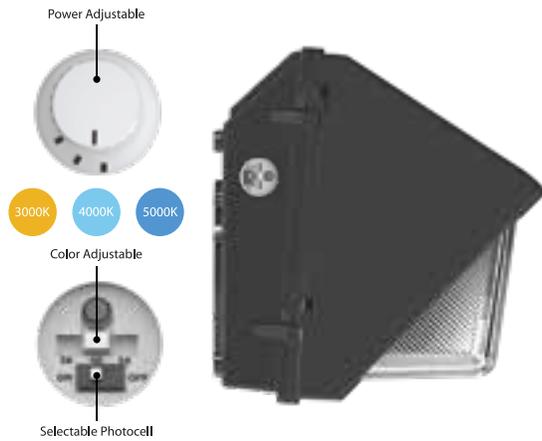

UL CERTIFIED

IP65

IP65 RATED

5-YEAR LIMITED WARRANTY**

3-Way field adjustability.

All sizes of these wall packs have 3-way field adjustability: 3 selectable wattages, 3 selectable color temperatures, and an on/off photocell, giving you 18 SKUs in one wall pack. This is a game changer in the world of ultra-economy fixtures!

Traditional on the outside, cutting edge on the inside.

With a classic, prismatic glass design, the WP123 XFU comes in three sizes that cover the footprint of most outdated metal halide wall packs. With 8 different lumen packages to choose from, it's easy to find exactly what you need.

Size	Model	Lumen Output	
WP1 XFU	29	4,200/3,000/2,300lm	
	WP2 XFU	29	4,200/3,000/2,300lm
		40	5,700/4,400/3,000lm
		60	8,500/6,700/5,300lm
WP3 XFU	80	12,770/9,849/6,769lm	
	100	15,500/12,500/9,500lm	
	120	18,500/15,500/12,500lm	
	150	23,000/20,000/15,500lm	

High performance.

This family delivers a super-high efficacy of up to 169 lm/W and 80+ CRI. Its output is smooth and quiet and comes without the flickering or humming often found in ultra-economy lighting.

Ordering Matrix

Product Family	Wattage*	Color Temp	Finish	Driver	Options			
WP1XFU	29	15/20/29W	Blank	5000/4000/3000K Selectable	Blank	Blank	Selectable Photocell Control
