

# Ultra-economy floodlight

The quality you expect at the price you need.

**RAB**

The most versatile, budget-friendly floodlight out there.

Designed to maximize value, the X17 is available in three sizes, six lumen packages, three CCTs, three mounts, and two colors, all with a wide 7H x 6V NEMA distribution that makes it the optimal floodlight for all general-purpose applications.

Field-adjustability at a super-low cost

All X17 models offer field-adjustable color temperature (3000/4000/5000K) and an integrated photocell that can be turned on or off as needed for additional energy savings.

## 6 Lumen packages

While most others carry 5 lumen packages, the X17 is available in everything from 15W to 140W, topping out at over 19,500 lumens—all with 0-10V dimming.

## High performance

The X17 delivers an ultra-high efficacy of up to 152 lm/W and 80+ CRI. Its output is smooth and quiet, and comes without the flickering or humming often found in ultra-economy lighting.

## Accessories

### TRUNNION MOUNT

Available for **60-80W**
