

October 2019

This is to notify of the transition from our existing ARBAY to the Next Generation of ARBAY.

Please take note and make the necessary changes in your system.

We will sell through existing product inventory. Once that is depleted, we will fully transition to the new version. All orders and warranty fulfilments after all old inventory runs out will use the new version.

If you have questions regarding any of these changes, please contact your RAB Lighting sales representative.
